# Andante cantabile

*Wolfgang Amadeus Mozart*

(1756–1791)

*The Times* was first published in England. Robert Peel, who founded the Metropolitan Police Force, was born and the great English painter Thomas Gainsborough died.

Mozart wrote several flute sonatas when he was just eight years old. Later, he also wrote two wonderful flute concertos for a wealthy Dutch patron, even though it is said Mozart didn't really care for the instrument. This piece is arranged from one of his later violin sonatas, K.547.
